Arthur Coccodrilli, Chairman
IRRC
333 Market Street, 14th Floor
Harrisburg, PA 17101

Dear Chairman Coccodrilli:

I want to express strong support of Regulation 16A-4816. This regulation will require anyone who sells preneed funeral arrangements to become licensed. Licensed funeral directors must complete several years of schooling. They maintain their knowledge of the laws and regulations through continuing education classes. A licensed professional understands the current requirements and is the only qualified person to sell preneed funeral arrangements.

I support Regulation 16A-4816 and I urge you to support it as well.

Sincerely,

A handwritten signature in cursive script that reads "Joe Markosek".
