Dear Dr. Joseph C. Gallagher:

I am writing this letter

to support the proposed regulations for delegated
prescriptive authority for physician assistants
under the supervision of osteopathic physicians. I
believe the new regulations will benefit the patients
of Pennsylvania by allowing better access to
healthcare and by avoiding a great deal of confusion
in healthcare settings as physician assistants licensed
by the State Board of Medicine is permitted to
obtain and dispense drugs under the direction
of a physician licensed by the medical board.

Thank you for all of your support and considerations.

Sincerely,

Preethy
