Dear Dr. Fasano:

My name is Melissa Winslow and I am a  
Physician Assistant Student at PCOM. PA's have  
been safely prescribing under MD's for years and  
therefore should be able to under DO's. Also,  
if given the opportunity to write prescriptions under  
DOs it will lead to better health care (reduced  
waiting time, increased availability of appts, and allow  
the physician to focus on more complicated  
tasks.)
