RE: 49 PA CODE CH.25
Adoption of 25.177, 25.178

Dear Sir/Madam,

As a practicing osteopathic physician in the State of Pennsylvania I would like to express my support for the proposed rule making that I reviewed in The Pennsylvania Bulletin on 10/29/07. I would recommend the adoption of the changes as put forth in 25.177 and 25.178 as it refers to the prescribing and dispensing of drugs, pharmaceutical aids and devices put forth by physician's assistants.

Thank you for consideration of my opinion regarding this matter.

Sincerely,
