Charles P. Fasano, D.O.
Chairman, Osteopathic Board of Medicine
P.O. Box 2649
Harrisburg, PA 17105-2649

Dear Dr. Fasano:

I support the proposed regulations for delegated prescriptive authority for physician assistants working under the supervision of osteopathic physicians. I am a second year osteopathic medical student and when I graduate in two years I hope to have the same supervision authenticity as my allopathic physician (MDs) counterpart. PA's work with physicians supervision to ensure patient safety so this proposed regulation will help the community of Pennsylvania.
