Dear Dr. Fasano:

I am a D.O. student in the class of 2011 here at the Philadelphia College of Osteopathic medicine. I support the regulation allowing DO's to delegate to prescribers of medicine to PA's. This will most likely increase the amount of DO's that would want to practice in PA which will remove some barriers to care due to reduced wait times, increased availability of appointment, allow the physicians time to focus on more complicated cases.
