Chairman, Osteopathic Board of Medicine  
P.O. Box 2649

Dear Dr. Fasano:

I am a PA student in the class of 2009.  
I support the regulations allowing DO's to  
delegate prescribing to PAs. This will improve  
access to care because the PAs who  
are currently supervised by DO's  
will be able to practice to the full  
extent of their training.
