Chairman, Osteopathic Board of Medicine
P.O. Box 2649
Harrisburg, PA 17105-2649

Dear Dr. Fasano:

I am a osteopathic medical student in the class of 2011, and I fully support regulations allowing D.O.'s to delegate prescribing responsibilities to P.A.'s. This will improve access to care for my future patients as well as current patients. It will make it easier for D.O.s to use P.A.s to the full extent of their training.
