Dear Dr. Fasano:

I am a first year D.O. student at PCOM. I interact with the physician assistant students at PCOM often. I would hope to have the privilege to impact patients' health and lives while working side-by-side with my P.A. colleagues when I am able to practice the art of medicine. Working as a medical secretary in an internal medicine practice with M.D.s, D.O.s, P.A.s and N.P.s, I have seen no reason that P.A.'s should not have the same rights under M.D.s or D.O.s supervision. Thank you for considering this petition.
