Dear Dr. Fasano:

I am a current PA student at PCOM - 2nd year. I support the regulations allowing DO's to delegate prescribing rights to PA's. Looking forward to graduation, it will make it easier to stay and practice here in Philadelphia if hired to do so. Also, a DO is more keen to hire a PA if they have prescription rights. It would reduce waiting time, increase availability of appointment, and allow physicians to focus on more complicated cases.

Thank you for considering.
