Chairman, Osteopathic Board of Medicine

Dear Dr. Fasano:

I am a current Physician Assistant student at PCOM. I support the regulators allowing DO's to delegate prescribing to PA's. PA's have been safely prescribing in the state of Pennsylvania since the mid-1990's. The change in regulation will give DO's the same rights as MD's to improve care for their patients and also further attract more PA's to work in the state.
