Charles P. Fasano, D.O.  
Chairman, Osteopathic Board of Medicine  
P.O. Box 2649  
Harrisburg, PA 17105-2649

Dear Dr. Fasano:

I am a DO student in the class of 2011.  
I support the regulation allowing PAs to  
write prescriptions for patients. This will allow  
patients to have better access to the care they deserve.  
PAs should be allowed to use their <sup>education</sup> ~~extent~~ to  
help DO's practice to the full extent, PAs have  
been safely prescribing to patients under the care  
of MDs for years. DOs should allow them to  
have the same responsibilities.
