INDEPENDENT REGULATORY
REVIEW COMMISSION

Charles P. Fasano, D.O.
Chairman, Osteopathic Board of Medicine
P.O. Box 2649
Harrisburg, PA 17105-2649

Dear Dr. Fasano:

I am currently a PA student at PCOM.
I support the regulations allowing DO's to delegate
prescribing to PAs.

PAs have been safely prescribing in PA since
the mid 1990's. Furthermore, I believe that it is
the right of an Osteopathic physician to have the
same prescriptive authorities as their MD colleagues.

Not only would this regulation help increase the
demand for PAs + DOs, but would also improve
the care of patients.
