Dear Dr. Fasano:

I am a second year PA student at PCOM and I am writing to you in support of the regulation allowing DO's to delegate prescribing to PA's. PA's have been practicing and prescribing safely for many years under the supervision of physician. It would benefit the patient, DO's and PA's if the DO's would have the same regulations as the MD's regarding the prescribing delegations. Please consider the PA contributions to the healthcare system.

Thank You
