Charles P. Fasano, D.O.  
Chairman, Osteopathic Board of Medicine  
P.O. Box 2649  
Harrisburg, PA 17105-2649

Dear Dr. Fasano:

I am currently a PCOM student in the class of 2010. I am writing to express my support for the legislation to allow DOs to delegate the task of prescribing medication to Physician Assistants. PAs are highly trained and have proven themselves worthy of managing the immense responsibility of prescribing medications. Such a change would also augment our efforts as osteopathic physicians to enhance efficiency in this increasingly competitive medical field. Thank you for your time.
