Charles P. Fasano, D.O.  
Chairman, Osteopathic Board of Medicine  
P.O. Box 2649  
Harrisburg, PA 17105-2649

Dear Dr. Fasano:

I am currently a 2<sup>nd</sup> year PA student at PCOM and I'm writing to support the osteopathic prescribing regulations for PA's in Pennsylvania. PA's have been safely prescribing medications under allopathic physicians for years and would be able to provide the same safe care under osteopathic supervision. If PA's were able to write prescriptions under their DO supervisor it would give more free time to the DO to devote to more complicated cases and give the PA a better asset to the DO.
