Charles P. Fasano, D.O.  
Chairman, Osteopathic Board of Medicine  
P.O. Box 2649  
Harrisburg, PA 17105-2649

Dear Dr. Fasano:

I am a current student in the Physician's Assistant program at PCOM. I support the proposed osteopathic prescribing regulation for physician's assistant working under osteopathic physicians. PAs have been safely prescribing under the supervision of allopathic physicians for years, and by granting this same opportunity to osteopathic physicians, it will benefit physicians, PAs, and ultimately patients under our care. Thank you!
