Charles P. Fasano, D.O.
Chairman, Osteopathic Board of Medicine
P.O. Box 2649
Harrisburg, PA 17105-2649

Dear Dr. Fasano:

As a future healthcare professional, I fully support the ability + regulations allowing PAs to write prescriptions with the supervision of an Osteopathic Physician.

Ultimately, the value of this regulation, is increasing health care accessibility for your population in the state of Pennsylvania. Please consider this call to increase prescription privileges to PAs for the betterment of health care.
