Dear Dr. Fasano,

My Family Practice of many years has just merged with another practice. I have employed mid-level practitioners for several years. I will be listed as a substitute physician for an Osteopathic PA in this merged practice. As an MD my mid-levels have had prescriptive authority. I wholeheartedly support the proposed legislation that allows PA's who are registered with the State Board of Osteopathic Medicine to be delegated this authority. I think it will be much less confusing for our delivery of health care to have the Osteopathic regulations mirror the Allopathic regulation.

Thank you for your consideration of this important legislation.

Sincerely,

Robert Good MD
