Chairman, Osteopathic Board of Medicine

Dear Dr. Fasano,

As a Practice Administrator for many practices in a rural setting that employs both MD's a DO's I strongly agree with the proposed legislation that will delegate prescriptive authority to Physician Assistants who work with Osteopathic physicians. I feel that these regulations should mirror those of the Allopathic physicians so that there will be no confusion. These PA's all have the same training and we can offer better access to our patients with this delegated authority.

Thank you, for your consideration in this important legislation.

Sincerely,

Mark Boff, Practice Administrator
