Charles P. Fasano, D.O  
Chairman, Osteopathic Board of Medicine  
P.O Box 2649  
Harrisburg, PA 17105-2649

Dear Dr Fasano

I am writing this letter in support of the propose Osteopathic prescribing regulations for Physician Assistants. The Physician- PA team work more efficiently when PA's have prescribing privileges. I will be more willing to work under a D.O if I have prescribing privileges. With the passing of the Osteopathic regulations for Physician Assistants patients will have better access to care. I will be able to see more patients. Every body will benefit more. I am appealing to your sense of fairness to do the right thing.

Sincerely yours  
John Cazeau PA-S II
