Charles P. Fasano, D.O.
Chairman, Osteopathic Board of Medicine
P.O. Box 2649
Harrisburg, PA 17105-2649

Dear Dr. Fasano:

I am currently enrolled in the Physician Assistant Program at Philadelphia College of Osteopathic Medicine. I fully support the legislation allowing Physician Assistants prescription rights under a delegating Doctor of Osteopathy.

I support this legislation because Physician Assistants have been prescribing under MD's since the 1990's in Pennsylvania. This legislation provides for an equal extension of health care between MD's & DO's.
