Dear Dr. Fasano,

I am writing to you in support of the proposed osteopathic prescribing regulation for Physician Assistants.

As a Physician Assistant in the state of Pennsylvania, I am strongly in favor of the osteopathic physicians having the same ability to delegate as their MD colleagues. I also feel that the law should be worded exactly the same as the allopathic regulation to avoid any confusion.

Again, I am asking you to please support these changes.

Thank you,

Darla Cowden, PA-C
