Dear Dr. Fasano:

I am writing to you in support of the proposed regulations for the delegated prescriptive authority for physician assistants under the supervision of osteopathic physicians.

As a Physician Assistant in the state of Pennsylvania, I am very much in favor of the osteopathic physicians, having the same ability to delegate prescriptive authority to their PAs as the allopathic physicians. I also feel that the law should be worded exactly the same as the allopathic regulation to avoid any confusion.

Please, I urge you to support these changes.

Thank you,

Christopher Meyer, PA-C
