

Charles P. Fasano
Chairman Osteopathic Board of Medicine
P.O. Box 2649
Harrisburg, PA 17105-2649

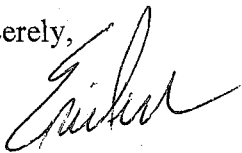

2644

Dear Dr. Fasano:

I am an osteopathic physician who has been involved in the physician assistant profession as a supervising physician. I believe a PA is equally skilled whether they are trained by an osteopathic physician or an allopathic physician. I also believe that supervision of a certified PA by an osteopathic physician is no different than that by an allopathic physician.

I urge you to vote to designate the same authority to osteopathic physicians that the allopathic physicians enjoy, and support the bill allowing osteopathic physicians to delegate prescription writing to physician assistant.

Sincerely,

Eric Peck, D.O.
