Dear Dr. Fasano:

I am a practicing physician who has had experience supervising physician assistants. I believe that PA's are well trained whether by an M.D. or D.O. and I urge you to award the same supervisory authority to D.O.'s as the M.D. hold.

By supporting the bill to allow osteopathic physicians to delegate prescription writing to their PA's, you will also be improving access to quality health care.

Sincerely,

Albert Varacallo, M.D.
