Chairman, Osteopathic Board of Medicine  
P.O. Box 2649

Dear Dr. Fasano:

I am currently a Physician Assistant student at PCOM and writing this letter in regards for supporting regulations allowing DO's to delegate prescribing to PA's.

PA's have been safely prescribing medications in Pennsylvania since the mid 1900's. These rules will give the DO's the same rights as MD's, to improve care for their patients.
