Subject: Proposed Rulemaking - Diesel Vehicle Idling; and Auxiliary Power Systems (#7-422)

INDEPENDENT REGULATORY
REVIEW COMMISSION

Re: Proposed Rulemaking - Diesel Vehicle Idling; and Auxiliary Power Systems (#7-422)

The Environmental Quality Board (EQB) has received the following comments regarding the above-referenced proposed rulemaking.

Commentor Information:

Thomas Pandaleon
TomPgh@aol.com
6824 Thomas Blvd.
Pittsburgh PA 15208 US

As a Pennsylvanian, I wholeheartedly support any and all regulations that will serve to make meaningful improvements in the air quality of the state. In addition, measures such as this, which will reduce fuel consumption, are entirely appropriate. I support the proposed measure, and would support an even stronger such regulation.

Please contact me if you have any questions.

Sincerely,
Michele L. Tate
