To Whom it may concern:

Something significant
needs to greatly reduce
the traffic from trucks.
More warehouses should
not be built!

I have lived in Car-
lisle, Pennsylvania for
fifty-four years. The air
quality in our area
has become poor.

Truckers' idling
during their rest periods

must be reduced so
that the air quality in
our community improves.
I know that I represent
many of our citizens.
HELP!!!

Be advised that
God created the earth.
He saw that it was
good. We are to be
stewards (keepers) of
His creation.

Thank you,

Sincerely,
Polly Miller
