ENVIRONMENTAL QUALITY BOARD

To Whom it may Concern,

I am writing in support of pending legislation limiting the idling time from 15 minutes to 5 minutes to 5 minutes for long-haul trucks.

Has anyone ever thought about contacting the Pharmaceutical Drug Companies who spend billions on research in developing drugs to treat asthma, bronthitis and emphysema. Maybe they could suggest a fuel that would not be a medical problem for the people with these conditions.

Sincerely yours,

*Jane M. Conner*
