Subject: Proposed Rulemaking - Diesel Vehicle Idling; and Auxiliary Power Systems (#7-422)

Re: Proposed Rulemaking - Diesel Vehicle Idling; and Auxiliary Power Systems (#7-422)EW COMMISSION

The Environmental Quality Board (EQB) has received the following comments regarding the above-referenced proposed rulemaking.

If you are going to start a idling law, why not involve everyone using diesel equipment. Construction companies, farming, railroads, city, county, state equipment and vehicles, large campers and motor homes. Why just make laws for the transportation industry.
