Subject: Proposed Rulemaking - Diesel Vehicle Idling; and Auxiliary Power Systems (#7-422)

NDEPENDENT REGULATORY

Re: Proposed Rulemaking - Diesel Vehicle Idling; and Auxiliary Power Systems (#7-422) WCOMMSSION

The Environmental Quality Board (EQB) has received the following comments regarding the above-referenced proposed rulemaking.

Commentor Information:

Jeremy Ball

Dickinson College ballj@dickinson.edu

402 S. Pitt St.

Carlisle PA 17013 US

I am writing because of my profound concern for the quality of life in Pennsylvania. Pollution from trucks has made air quality in Carlisle, where I live, one of the worst in the nation. PLEASE pass the anti-idiling law, which will help us to improve our air quality and way of life. Sincerely, Jeremy Ball Carlisle

Please contact me if you have any questions.

Sincerely,

Michele L. Tate
