I am a retired Presbyterian Minister, a member of the Presbytery of Carlisle, Presbyterian Church, U.S.A. I moved to Mechanicsburg in 2004 and was unhappy to learn of the air quality in Cumberland County. I am a patient of Dr. Jack Armstrong, Medical Arts Allergy, who is treating me for asthma and COPD. I have attended the meetings of the Clean Air Board of Central Pennsylvania in order to help their efforts in some way. I support this proposed legislation.
