Subject: Proposed Rulemaking - Diesel Vehicle Idling; and Auxiliary Power Systems (#7-422)

INDEPENDENT REGULATORY  
REVIEW COMMISSION

Re: Proposed Rulemaking - Diesel Vehicle Idling; and Auxiliary Power Systems (#7-422)

The Environmental Quality Board (EQB) has received the following comments regarding the above-referenced proposed rulemaking.

Commentor Information:

^^

The effort to limit idling of engines in Pennsylvania is definitely a step in the right direction. I live in the inner city, close to Lockhart Tire Company and a Giant Eagle Supermarket. Trucks can often be found parked in front of houses in my neighborhood, with their engines idling. this is bad for the quality of our air, and it should not be permitted. Thanks!  
^^

Please contact me if you have any questions.  
Sincerely,  
Michele L. Tate
