Subject: Proposed Rulemaking - Diesel Vehicle Idling; and Auxiliary Power Systems (#7-422) NOTE PROPERTY REGULATORY PEVEN COMMISSION

Re: Proposed Rulemaking - Diesel Vehicle Idling; and Auxiliary Power Systems (#7-422)

The Environmental Quality Board (EQB) has received the following comments regarding the above-referenced proposed rulemaking.

Commentor Information: Joanne Walker

mwcpa1997@aol.com

Lafayette Hill PA 19444 US ^^^^^

I think that it is imperative that Pennsylvania limit diesel vehicle idling. It is not only an energy issue; it is a health issue. The air around my son's school at dismissal is so noxious it is amazing that the children aren't getting sick.

Please contact me if you have any questions.

Sincerely,

Michele L. Tate
