~~~~~  
I strongly urge you to improve air quality in Pennsylvania by approving the proposed Diesel Vehicle Idling and Auxiliary Power Systems amendments to 25 PA Code Chapters 121 and 126. Having spent many years of worklife with children in the City of Chester, PA, I know the toll that poor air quality takes on their health and lives.  
~~~~~

Please contact me if you have any questions.
Sincerely,
Michele L. Tate
