Subject: Proposed Rulemaking - Diesel Vehicle Idling; and Auxiliary Power Systems (#7-422)

2008 MAR 12 PM 1:45

INDEPENDENT REGULATORY
REVIEW COMMISSION

Re: Proposed Rulemaking - Diesel Vehicle Idling; and Auxiliary Power Systems (#7-422)

The Environmental Quality Board (EQB) has received the following comments regarding the above-referenced proposed rulemaking.

Commentor Information:

Susan Otway
otways@aol.com

carlisle PA 17013 US

As a Carlisle resident, I am very concerned about the health effects of the poor air quality in our area. I understand that the trucking industry is vital to our local economy, but that does not diminish their responsibility to preserve our environment. I strongly urge passage of this legislation to limit idling.

Please contact me if you have any questions.

Sincerely,
Michele L. Tate
