Subject: Proposed Rulemaking - Diesel Vehicle Idling; and Auxiliary Power Systems (#7-422)

INDEPENDENT REGULATORY  
REVIEW COMMISSION

Re: Proposed Rulemaking - Diesel Vehicle Idling; and Auxiliary Power Systems (#7-422)

The Environmental Quality Board (EQB) has received the following comments regarding the above-referenced proposed rulemaking.

Commentor Information:

~~~~~  
I believe there are grave concerns with the current practices of long idling for buses and tractor trailers. I would like to see Diesel Vehicle Idling and Auxiliary Power Systems Amendments to 25 PA Code Chapters 121 & 126. Improving air quality is the only way we can continue to live on this planet free from diseases like asthma and chronic emphysema. Please help.

~~~~~  
Please contact me if you have any questions.

Sincerely,  
Michele L. Tate
