PEGULATORY PEGULATORY

The Environmental Quality Board (EQB) has received the following comments

Commentor Information: Paul McKinney KBT pmjmckinney@alltel.net 216 McKinney Hill Rd. Rimersburg PA 16248 US

The Law is just stuiped. The truck is our home while on the road. How many of you would sleep in your home for 10 hours with the heat or air turned off? That is what you are asking us to do! Everything you get is delived at one time or another by a truck, you should remember this before you put us all our of business. this is against the anti idling band

Please contact me if you have any questions.

Sincerely,

Michele L. Tate
