Re: Proposed Rulemaking, Identification Number 17-75
Title 37. Law, Part IV. Municipal Police Officers'
Education and Training Commission
Subpart B. Retired Law Enforcement Identification and Qualification
Chapter 220. Retired Law Enforcement Officers Identification and
Qualification Cards

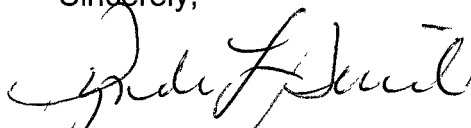

Dear Sirs:

On January 8, 2008, I delivered proposed regulation 17-75 to the Legislative Reference Bureau, your Committees, and the Independent Regulatory Review Commission. Unfortunately, the proposed regulation did not contain the most recent version of Annex A.

The final version of Annex A was approved by the Governor's Policy Office. However, it needs to be resubmitted to the Governor's Office of General Counsel, the Governor's Budget Office, and the Office of Attorney General for approval. Consequently, please disregard the regulation I delivered to your offices yesterday.

Once the requisite approvals have been obtained, I will resubmit the proposed regulation to your Committees and the Commission. I apologize for any inconvenience created by this error.

Sincerely,

Syndi L. Guido
Policy Director
