Dear Mr. Buckheit:

I am writing this letter on behalf of Career Training Academy and want to comment on the proposed reg. in 42.11. We have supported the effort to reduce the amount of paperwork to comply with many regulations and

a waiver of a team site visit follows that thought. However, in review the change we noted that (d) (4) is vague and with a minor change could service the need of all by changing the language to be more specific. My recommendation would be to replace the proposed language with the following:

"not been in violation of applicable statutes and regulations."

This would provide a more focused approach to the regulation and compliance and not unnecessarily force teams site visits.

Sincerely,

John M. Reddy
President
