Subject: GCA Testing

To All,

I'm writing this letter to express my opinion on GCA testing. I'm opposed to this testing. The reasons are that we already have ERB, PSSA, PSAT, SAT, SAT Subject test, ACT and AP exams in place. In our Conestoga High School, our kids have multiple quiz or tests every week, they also have end of marking period tests, mid-terms and finals. There are more than enough test existing. Our children are stressed out enough on tests. I don't want to see another test to overwhelming our kids.

Thank you very much for your consideration.
