Subject: Tredyffrin parent opposed to GCAs

State Board of Education
333 Market St.
Harrisburg, PA 17126

Dear Mr. Buckheit, and State Board of Education Members,

I am writing to express my opposition to the GCAs.

I am opposed because we already test our students in math, reading and science through the state PSSA exams. I am opposed to double testing of our students. I am opposed because students in our district are already reaching proficiency in reading, math, and science either through the PSSA exams or through a comprehensive, local assessment. I am opposed because valuable class time will have to be diverted to prepare students to take these additional tests.

Most sincerely,

Sarah W. Ahmann

Tredyffrin/Easttown resident
