REVIEW COMMISSION**Subject:** addition to this morning's e-mail on the Morrisville schools

Dear Jim Buckheit,

One thing I didn't mention that is very important--concerning how the Morrisville school administration is wrongfully labelling kids who just need tutoring as "special ed"--when you label kids as "special ed"--whether they "qualify" or not, it stigmatizes them in their own eyes and the eyes of their classmates and parents--sometimes lasting for a lifetime--especially cruel and bad when it is done wrongfully as in this case!--Gloria del Vecchio
