INDEPENDENT REGULATORY
REVIEW COMMISSION

Please DO NOT support GCA's.

1. Current Special Education and IEP students would be unfairly held to the same standards.
2. Even if an exception was made, a larger number of students may try to change their classification to Special Ed.
3. Would the G.E.D. be changed also?
4. What about students who excel in a technical school?

I am a sixth grade teacher in the Bristol Township School District.
Thank you for your consideration.
