INDEPENDENT REGULATORY
REVIEW COMMISSION

Dear Mr. Buckheit,

I am writing to confirm our opposition to the Graduation Competency Assessment proposal. We are parents in the Pine Richland School District, and are very confident that our local school board has the ability to make the appropriate academic decisions for the students in the district. We do not want to be mandated by the state to have more testing for our children. The PSSA's are enough! Please do not take control away from local districts - instead, why not focus on improving those that are struggling.

Thank you for your consideration.
