REVIEW COMMISSION

Dear Mr. Buckheit, and State Board of Education Members,

I am writing to express my opposition to the GCAs. I am opposed because we already test our students in math, reading and science through the state PSSA exams. I am opposed to double testing of our students.

I am opposed because students in our district are already reaching proficiency in reading, math, and science either through the PSSA exams or through a comprehensive, local assessment.

Most sincerely,

Michele and Stephen Loose
