**To:** jbuckheit@state.pa.us**Subject:** Support for Changing High School Graduation RequirementsINDEPENDENT REGULATORY  
REVIEW COMMISSION

As a parent of two children in Bucks County Schools, Pennsbury District, I support a uniform requirement throughout the state that passing the PSSA be a requirement for graduation period. A diploma should mean something. It should mean that the person holding it can read and write at high school level and be able to function in society and as a citizen of the state and nation.
