**Subject:** OPPOSED To New Legislation

2008 JUN -9 PM 3:06

INDEPENDENT REGULATORY  
REVIEW COMMISSION

I would like to document my opposition to this newly proposed legislation. For many reason this will leave young people with little hope for their future. Not only will be driving students who are at risk of not graduating at all away we will be hurting some who have struggled but continue to work hard in hopes of a bright future. Don't give our kids another reason to give up on themselves.
