State Board of Education&#8232;333 Market St.&#8232;Harrisburg, PA 17126

Dear Mr. Buckheit, and State Board of Education Members,

I am writing to express my opposition to the GCAs.

I am opposed because we already test our students in math, reading and science through the state PSSA exams. &#8232;

I am opposed to double testing of our students.

I am opposed because students in our district are already reaching proficiency in reading, math, and science either through the PSSA exams or through a comprehensive, local assessment.

Our school district is doing a fabulous job with education. Please allow them to continue in a manner that is best for our students.&#8232;

Most sincerely,  
Jeanne Swope &#8232;Tredyffrin/Easttown
